*Our Future. Our Learning.*

# School Uniform

## Collaboration

The ASC uniform has been developed following widespread consultation with students, parents/carers and the school community. It is intended to be a non-gender specific multiform, where items can be mixed and matched as desired, and allowing students to express their individuality within a range of acceptable uniform items.

We appreciate the support of parents and carers in endorsing the wearing of the school uniform.

*The wearing of a school uniform reflects the school's values of resilience, respect & responsibility.*

---

*Uniform contributes to our students' feeling of equality, belonging and pride in their school.*

---
